To Our Loyal Customers, Families, and Friends,

As of May 4th, 2020, we are [open to the public](#). Here's what you need to know before coming into the store.

1. All customers must wear a face-covering in the store per the legal requirement of the State of New Jersey.
2. We will be limiting the number of customers allowed in the store every day until further notice to practice effective social distancing.
3. We encourage customers to make an appointment before coming into the store. Here are some ways you can make an appointment:
 - a. E-mail Jen@hhappliance.com and request a date/time.
 - b. Call the store during our opening hours (609-426-1111).
 - c. Message us through our website.
 - d. Message us on Facebook.
4. We ARE filling tanks. We accept cash only for tanks and customers must have a face covering during the transaction.

Our updated store hours are Monday - Friday from 9:00 - 4:00 PM, and **Saturday and Sunday by appointment only**. We encourage you to reach out virtually any time you have any questions (e.g., e-mail or Facebook messenger).

Thank you for your continued support, and we hope you stay healthy and safe during this unprecedented time. We have never closed in over 75 years of business, and appreciate your understanding during this matter.
